MUSIC NOTES

Sunday Mornings Are Special

That's for sure. God has really been blessing our Sunday morning worship times. What makes that so special are the people who work to lead us Sunday after Sunday. Lois Ferguson plays the organ and fills in strings on the synth as needed. Dori Mattson plays the piano. Our rhythm section consists of Ken Van Treuren on acoustic guitar and Dave Graves on bass guitar. Chris Sadler and Cliff Smith take turns on the drums on a month by month rotation, and Mark Cunningham fills in on percussion. But we wouldn't be able to hear any of them without the tireless work of Dave Hughes, who sets us up with mics and monitors every single Sunday. Working with him in the booth are Dennis Campbell, Rene Van Treuren and Dustin George. All of these people are true ministers with all of our best interests at heart. Please take a moment to let them know how much they are appreciated.

OUR MISSION STATEMENT

We are called as Christ's disciples to share His love with the people of McLennan County and beyond in such a way that they have the greatest opportunity to know Christ and to become fully-developing followers of Christ.

O How He Loves You: This is the theme of our Easter Outreach. Chris Sammons and the Media Committee have done a great job in preparing materials to be mailed, hand delivered and distributed in the Easter worship services. As in the past, we are asking that each of you take "door hanger" invitations and deliver them to your neighbors. It is our hope that you will use the opportunity as a prayerwalk, praying for your neighbors as you go. It may also open the door for conversations about faith and what your church home means to you. You will hear more about this as time draws closer.

Partners in Missions: I hope you will never forget that to be a Baptist means partnering together voluntarily with other churches to accomplish what we could not do individually. One of the finest expressions of this is found in our support of the home and international mission boards and all of their ministries. You should know that a part of every dollar you give to First, Woodway goes to these ministries. In addition, there are the seasonal emphases in which we ask you to make a special offering to them, as well. We have just begun the special emphasis for the North American Mission Board called the Annie Armstrong Mission Offering. It is obvious that the need for the gospel right here in America grows greater every year. Please prayerfully consider making your gift to this great cause.

Haiti Relief Challenge: As of last Sunday, we are two thirds of the way to reaching our goal. You have given \$65,000 towards our goal of \$100,000 which will be matched by church funds for a total of \$200,000. Let's not fall short in demonstrating our willingness to help those who have lost everything.

Mike
